OFFICE OF ZWELITSHA CAMPUS MANAGER

TO WHOM IT MAY CONCERN

Cape Book & College Supplies has been supplying all three campuses of Lovedale TVET College with textbooks for a couple years. The service they have rendered has been of good quality that enabled us to commence with our lectures on time as stipulated by the Department of Higher Education and Training.

They have been really professional in their dealings with our College and when there were delays in the delivery they were able to inform clearly of the bottleneck if any, and confirm the revised delivery date telephonically and by E-mail.

As the institution we are pleased to do business with them and we will recommend them to any potential client.

Your's sincerely

Glen Jacobs
Campus Manager
